

MASS™ Medical Storage

7848 Barton Street, Lenexa, KS 66214, USA

www.MASSmedicalstorage.com

Introduction

MASS™ Storage Systems is committed to providing quality products that are:

Functional – These products can be configured hundreds of different ways in order to provide a certain look or serve a specific purpose.

Feasible – MASS™ products are reasonably priced and arrive assembled and ready-to-go when they arrive at your facility. Additionally, MASS™ products are backed by a 3-year warranty.

Fitting – No matter what department you need storage for, MASS™ can equip a cart or cabinet to fit your needs. With our custom heights and depths, MASS™ can manufacture exactly what you need to ensure no wasted space!

MASS™ Medical Storage

- Storage for all types of medical supplies and instrumentation

Specialized interior modules efficiently store stents, balloons, guide wires, and other medical supplies.

- The storage solution for every department

Cath Lab, CT, Endoscopy, CT-MRI, Interventional Radiology, Patient Hold, Surgical Services, E.R., Outpatient Surgery.

MASS™ Offers the Most Space

- More space means fewer units and a smaller footprint
- More useable interior capacity than any competitor
- Maximize space and budget with MASS™ Storage Systems

MASS™ Medical Storage

Functional. Flexible. Efficient.
