**FORM TO FIT ANY BODY AND SPACE**

The Tazza is a contemporary, polypropylene molded plastic chair that is 100 percent recyclable. Its timeless shell is ergonomically designed, gently hugging the sitter's body offering back support and a water fall front edge to alleviate pressure from the back of the thigh.

Available in four polypropylene colors, and a plethora of upholstery options. The Tazza can be configured with a choice of elegant wooden legs, a swivel base, or a more practical stacking sled or 4-leg bases. To round out the collection the Tazza can also be set on a 2-4 seat beam.
