

Incontinence Underwear

wearever

COMPARED TO ADULT DIAPERS

Our briefs and panties look and feel like regular underwear, but with a built-in pad.

They're washable, reusable and economical.

You already know how well our absorbent, odor control, one-piece briefs work. They're washable, reusable, comfortable. But most of all, discreet. And when you order three of any of our styles, from our classic to our lace brief, you'll get free shipping. That's stylish and smart.

WEAREVER ADVANTAGES:

- One-piece discreet design with built-in pad
- Patented absorbent, odor-control fibers
- Washable, reusable over 200 machine washes
- Look and feel like regular underwear
- Protect the environment from disposable diapers
- Maintain your dignity
- **SAVE MONEY!**

COMPARED TO ADULT DIAPERS

Our absorbent, washable, reusable briefs help you maintain your dignity,

save you money and protect the environment.

Incontinence Underwear

From regular to super-absorbent, our briefs help you control leakage without the inconvenience of changing and replacing adult diapers.

Our goal is to give you back your freedom. So you can go about your life without worrying about changing an uncomfortable, disposable adult diaper several times a day. With Wearever® briefs, you can feel like you're in control. While you keep a sense of style and grace.
